

Creative Writing

Ore: 16 ore

CFU: 3 (per Ulteriori Conoscenze Linguistiche / Crediti Liberi)

Livello del corso: B2

Frequenza: obbligatorie 7 lezioni su 8

Partecipanti: il corso è aperto a studenti del primo e del secondo anno di Mediazione Linguistica.

Course description

The course will focus on the fundamentals of creative writing. Beginning with the key elements of a great story, the class will then explore the topics of character development, plot development, dialogue, exposition, point of view, theme and motif, pace, voice, and suspense. The course will feature in-class workshops for brainstorming ideas for characters, plots and themes while also giving students time to work on their writing skills. During the course, students will be asked to develop, write and present parts of a short story, a prologue or a first chapter (their choice). Class time will be used to analyze and critique student submissions. This writing process will culminate in a final submission at the end of the course.

Assessment: Formative assessment and final submission (no final exam)
