

FINANCIAL RISK MANAGEMENT

13/12/2022

| Matriculation number | FRM Grade - Written exam | FRM Grade- Working group | Final Grade – FRM Module | Final Grade – IA module | Final score – IA & FRM (12 ECTS) |
|----------------------|--------------------------|--------------------------|--------------------------|-------------------------|----------------------------------|
| 106422 | Insuff. | | | | |
| | | | | | |

Final Grade – FRM Module is the average between the score from Working Group discussion and the score from the written exam

For students attending the whole course (Investment Analysis + Financial Risk Management – 12 ECTS) the very final score will be calculated as the average between the final Financial Risk Management score and the final Investment Analysis score
